

Infinite Love Prayer

Infinite Love Prayer

Deep at the center of my heart lives an infinite well of love, joy and divine abundance. I allow the richness of infinite abundance to fill my whole being, my mind, and my consciousness. It radiates out from my heart in all directions, to all people, and to the planet. This illuminated energy returns to me multiplied.

The more I give love, show compassion, appreciate life, the more love returns to me. The infinite light of love and well-being is endless, and the more I give, the more I receive.

I love myself and provide a beautiful home sanctuary that reflects the beauty of my soul. I fill the rooms with loving vibrations of gorgeous illuminated colors and designs that source my whole being.

I lovingly take care of my body and feed it vibrantly alive, nourishing foods. My cells and entire body radiates abundant health.

I love myself and choose to be loving and kind to others. I think caring thoughts and do my best not to judge others. People are free to choose their own path in life.

I forgive the past and totally release it, and this allows me to be free. Each moment is a mirror reflection of what is deep inside of me, and I choose to give love freely from my heart each day.

I am a soulful being from (God) the creator of the universe, and I trust that the universe nourishes and lovingly takes care of me. So this is my prayer, joyfully created. It is now done!
